The Choate Society

The William Gardner and Mary Atwater Choate Society honors the couple who founded The Choate School and Rosemary Hall. The Society was established in 1987 to recognize the generosity and thoughtfulness of alumni, parents, teachers and others who have created gifts that will benefit the school in the future. To date, well over 400 individuals have become members of the Society by remembering Choate in their wills or living trusts; by funding life income arrangements (charitable gift annuities, charitable remainder trusts, and the pooled income fund); and by making gifts of life insurance and retirement plan assets, or establishing charitable lead trusts.

Please take a moment to read the following honor roll of Choate Society members. We are deeply grateful to them for their visionary support of Choate Rosemary Hall.

To become a member or for more information, contact Ron Fleury at 203.697.2288 or rfleury@choate.edu.

The Founders Association for Leadership Giving

The Founders Association for Leadership Giving recognizes those alumni, parents and friends of Choate Rosemary Hall who are the principal contributors to the school. The following giving levels, which are named to reflect the school's history, allow donors to join the Founders Association with gifts from \$1,890 to \$25,000 and up. Founders Association giving is represented with a '★' in the following lists.

The Founders Association Levels*

Trustees Circle: \$25,000 and above, in honor of those who give at the highest level to the Annual Fund. These donors are accorded special recognition by the Board of Trustees.

President's Circle: \$15,000-\$24,999, in honor of the current president and head of Choate Rosemary Hall.

St. John Society: \$10,000-\$14,999, in honor of George St. John, The Choate School headmaster, 1908-1947; and his son, Seymour St. John '31, The Choate School headmaster, 1947-1973.

Ruutz-Rees Society: \$5,000-\$9,999, in honor of Caroline Ruutz-Rees, founder and headmistress of Rosemary Hall, 1890-1930.

Ayres Society: \$3,000-\$4,999, in honor of the lifelong dedication of Russell and Jean Ayres to The Choate School and their six sons, all graduates of both Choate and Harvard.

1890 Club: \$1,890-\$2,999, in honor of the founding of Rosemary Hall in 1890 and The Choate School in 1896.

* Beginning July 1, 2006, Choate Rosemary Hall is pleased to announce The Founders Association for Leadership Giving will become *The 1890 Society for Leadership Giving*. To distinguish the relationship between Choate Rosemary Hall and Parents, *The Partners in Excellence* for the Parents Fund has also been established. Both of these programs have new giving levels ranging from \$2,500 to more than \$50,000. Recent graduates may take advantage of entry level membership into the Association.

2005 – 2006 Alumni Donors

An Annual Fund Endowment (AFE) was formerly a program created to provide an uninterrupted flow of annual support to the school. A gift to this fund adds to the school's overall endowment and to the pool of unrestricted income generated by direct Annual Fund gifts. A portion of the interest earned is credited on a yearly basis to the contributor as a donation to the Annual Fund, and any excess earnings are reinvested in the AFE. AFE members are represented with a '~' in the following lists.
